

**WFOA - NORTH PACIFIC TROLL AND BAITBOAT MSC CERTIFICATION
NON-WFOA MEMBER REGISTRATION FOR MSC -2010**

Western Fishboat Owners Association having been granted a troll & baitboat (pole and line) North Pacific albacore certificate by the Marine Stewardship Council designates the following vessel MSC certified for 2010.

WFOA member vessels in good standing are automatically qualified. Since this certification covers the entire U.S. troll and baitboat albacore fisheries this simple registration is all that is required prior to unloading.

If any one of the following requirements is no longer met, the vessel and owner will be stricken from the WFOA list and there shall be no refund of the registration fee.

1. Vessel is documented /registered in the United States
2. Vessel has a current HMS permit under the PFMC-FMP issued by NMFS Southwest Region or; and HMS permit issued under the Pelagics FMP of the WPFMC
3. If the vessel fishes albacore outside of 200nm EEZ of the U.S., it has a current permit issued under the High Seas Compliance Act -by NMFS SW Region
4. If the vessel catches albacore west of 150W, it has a WCPFC endorsement.
5. All albacore landed by this vessel will be caught only by the troll and/or pole and line methods, and be in compliance with the MSC as a sustainable and well managed fishery.
